November 26, 2001

Dear Harold and Jil,

How nice to be able to spend even that short time with both of you last week. We got back home in good order, ready to get back to work.

I am planning on attending the National Cathedral performance of the Messiah on December 7 and wondered if my lady friend, Becky, and I could stop by for an hour or so about 2:00 on Saturday December 8? Hope we can see you
